and nursing these who have died,
under these circumstances I am alto-
gether unable to expect me to return
very soon, and perhaps discharge my
duties. Be kind enough to inform me
before, if you can obtain and ex-
plain to my leave at Dept. No. 20 and
if it be possible, I will not

to offer your services, in order to
secure his family relative to follow
up I left Capt. Elden A. E. M. M.

the night I came away, and
I have been much exposed to the

Dear Mr. Campbell,

Dear Sir,

The first words in your letter that you have been kind enough to say, that I should have been a few weeks in the Caucasus. I have been with the army, I was in Japan - and in the Caucasus. I have been to the Caucasus like you have. I have been to the Caucasus like you have. I have been to the Caucasus like you have.

If I am not mistaken to the field I would have been a few weeks in the Caucasus. I have been to the Caucasus like you have. I have been to the Caucasus like you have. I have been to the Caucasus like you have.

Very Respectfully

Adjutant General's Office,
San Antonio, Texas,
July 30th 1863.

Capt. S. P. Turner,

A. A. Marshall,

Hist. of Texas Co.

After communication of the 26th inst. conveying to me the suggestion of the
Adj. Gen. Com^d relative to my Agent, Mr. A. M. Lee, was received
by last mail.

Being desirous of conforming as far as within my discretion to any suggestion
of the Adj. Gen. Com^d touching the public interest, I have complied
with his request, and have named Mr. Lee as my Agent. I have
sent Capt. Marshall to close up with him all the business matters in his
hands.

It is proper, however, that I should state that so far as I am informed, Mr. Lee's
conduct as my Agent has been unobjectionable and efficient. My first knowledge
of him was through Brig. Gen. E. W. Steple (Tex. Col.), who recommended him
to me highly at El Paso eighteen months since, and where Regimental Muster
Court he then was and had for some time been. Since then, nothing has
come to my knowledge to the discredit of Mr. Lee. Bogue rumors, I was
aware, were in circulation regarding him, as there appear to be in relation to
any thing done in public position, high or low; but I have never been
in the habit of considering such as sufficient authority to impugn character.

Very respectfully, Captain,
your obedt Servt.

of a character which is always obstinate, and very difficult
to manage; and I am of opinion that he ~~will~~ would derive
much benefit from an entire change in his mode of
living by giving up his present position and going to

I am not disposed to shrink
 from duty while the war lasts - still I wish as an officer to see a post as I can fill -
 the work as well as desired for the hospitals, is plain personal suffering with the sick
 on the field side bringing before them the consolations of the gospel - I feel an interest in in
 his work and wish to continue it - I also preach occasionally to the soldiers on
 the (now dead) Savannah - It is in these circumstances I ask the appoint-
 ment of Chaplain to the Hospitals in Savannah - (Would you see fit in the
 state of the case to give me the appointment please return me the within letter and

I am very pleased to hear of your return to
 the service in a Boat Company on Tampa Bay. The whole I know no Chaplain would be
 appointed & was soon ordered to Tennessee = on the march from Knoxville last year before
 down near the 31st line & was richly discharged by Captain Patton of Gen E. Kirby
 Smith's office in Knoxville = the discharge being sent on to the regt for filing out while
 I was sent home on furlough with the assurance that my discharge would be sent to
 me but it never came - In Feb last a general order was issued for all absentees
 before their regts - Unable to travel I took the first direct conveyance 200 miles to St.
 R. R. at Madison. He was taken with pneumonia & death. I was received into
 the hospital and we still remain - Ten or more months I have administered the medicine in the
 ward & evening with the sick in the several wards, and giving a short discourse with read-
 ing and prayer at night - On leaving my position I left the hospital & was sent me a
 commission from the Committee of Ministers, of the C. D. to take as a
 mission in the Army in Southern Georgia - Upon which at the suggestion of the Rev.
 Dr. Dyer and others the Board of Directors with Gen. Meier, ordered the Dept of War that
 might be detailed as a missionary for the hospitals in Savannah (Aug 13 1863)
 & as there has been several - I have taken the liberty to send you the within
 with my own statement = that I am fifty years of age & and since leaving down
 from often troubled with hemorrhoids in the back and sore throat & several ailments -
 and the service mainly to act as chaplain in the C. D. at that time to do full duty
 and service - I am very glad to hear of your return to the service -

My dear friend, I have your
communication. It shows how
a better, perhaps, if you could
be appointed as chaplain,
I would be glad to have your
say as to what you
will be able to do. I will
send you a copy of the
new book of prayers,
and, with it, I have what you
need. I have a copy of you
would wish you to have
able to your time, in a
letter, and the other

Yours truly & sincerely,

John A. T. Smith

...and I should
not for this reason, but I believe nothing is better
calculated than the truth that personal influence of
Commander has everything to do with the esprit de
corps of a body of soldiers. I have the vanity to believe
that my influence in this respect is better than that
of any other person. I was this of course, with the
most sincere and unshaken confidence over me and well-
wishing and respect for your authorities. To be
plain, I would give this my command but unim-
paired, and sincerely believe it would be better for
the public interests that I should.

Will you do me the
favor to ascertain from the Secretary of War or the
Adjutant and Inspector General how far these or
any other my commands I shall report to Col.

Please regard this communication as
private and do not so far as you may deem it proper

General Wm. M. C.
Richmonds Va.

Dear Sir

Under orders from the Secretary of War dated Feb'y 21st 1863 authoring me to "raise troops for local defence without limitation of age and in such number as necessity may demand" I had raised (in addition to the five companies on duty here as a Provost Guard) four companies of Infantry ready for organization; and by authority from the same source by telegraph dated Jan'y 17th 1863 I had raised and organized a company of Cavalry numbering Eighty three rank and file all of whom were by order of Genl John A. Jackson W. G. dated March 11th 1863 required to be transferred to Capt Fryerant 1st Reg. Con. Batt. Infantry thereby defeating my efforts to raise troops of the above alluded to.

I therefore beg leave to ask your aid in procuring from the Secretary of War a renewal of the above authority in such form and terms as will secure me against the counter orders of others in the future. I know it is not necessary to impress on you the importance of having placed at this place for "local defence" and to guard the public stores which will be accumulated here during the war, at least a Regiment of Infantry a part of which could be employed as a police force in the upper Counties where desertion and persons avoiding conscription

frequently resort in large numbers.

The four companies ready for organization above alluded to were disbanded by the receipt of Genl Jackson's extraordinary order but can soon be raised again on condition that they are to remain within the limits of Georgia under my command. The material of which these companies were composed was not subject to conscription and their voluntary enrollment in a corps for local defence was a clear gain to the service;

If I am sustained by the Secy of War under this order without any more interference I can have a regiment ready for organization in a short time and am willing for the field officers to be elected by the men or appointed as in his discretion he may deem most fitting.

Col Wallace is with me and is a valuable auxiliary. I hope he may be permanently detached from his Regt and get service here in accordance with his rank and capacity for business.

Respectfully Yrs
G. W. Lee

P.S.

I enclose testimonials of my zeal and services kindly furnished me by the officers at this post a copy of which has been forwarded to the Secy of War.

Tipin arriving here today
I was informed at the first time what seemed
to be a complete outrage, some of the acts of
Sgt. R. S. Jackson. I am informed that Major
Clark in the office of Col. Lee. Lim. of the
Post has been humored and the business of
the office entirely deranged and delayed.
The Pro. Marshal which has been kept here
for some time has been removed and
hence nearly all the Post properly entered
is postponed. In truth I may say it is entirely
suspended.

Col. Lee (who has been up to the
arrival of S. R. Jackson. Pro. Marshal and
inmate of the Post) has discharged the duties
of his office with great ability and
diligence. Unless he be returned to his former
place and his former guard be restored
the interest and property of the Post
must suffer greatly.

I fear unless he be returned to his former
place he will never and on some his
full ability cannot afford to lose the
services of so valuable and faithful an
officer. I suppose one thus placed
in possession of the facts of
the case and I am constrained to think as
I do most respectfully wish that he retain
his former place. which certainly
now has seemed disposed to depose him

RECEIVED
MAR 21 1863

Wilmington, Ga. March 21st, 1863.

Dear Sir:

Some special considerations
of address your Excellency directly in rela-
tion to the command of the military Port
of Atlanta. As you are probably aware
that port has been for a year or so fast
till recently, under command of Col. S.
W. Lee, who has proved to be a faithful,
energetic, and in every way an acceptable
officer to the War Department and to the
people of Atlanta, whose civil rights and
reasons he wishes he had ever observed, and
at the same time, abjectly guarded and
preserved the large amount of government
stores and property at all times under his
charge. As Atlanta has become in many
aspects both as regards the interests of the
State and the Confederacy, the most im-
portant city in Georgia, it very much re-
grets to learn that it has been thereby
deprived of the liberal commanding the
Department entrusting it, to do what
bel. See, and to place the port in con-
mand of another, by ordering Gen. Johnston

There is some thought to be the change of the
post, reduced in lot. See to the sphere of a
more personal interest with such of the
town - which is now improved has re-
cently been done. If there exists no special
cause in human to see which would it neces-
sary to pursue such a course toward Col. See,
then, in his behalf as a faithful and energetic
officer and a citizen of high standing and
high respectability of Atlanta, as well as on
account of the interest felt by the inhabitants of
the city and the people generally of the State in
the military command at that point. I
respectfully but most earnestly recommit it
against it; and request that he be restored
to the full command of the post, where his
services have been so valuable to the country
and performed so satisfactorily to the people.

If this cannot be done consistently with the
 exigencies of the service, or if Col. See from any
cause shall not be restored to and retained
in command of the post, permit me to
request most earnestly that the command
be given to Lieut. Col. Wm. M. Wallace of the
36th Reg. Meqt, who has recently under orders
from the Secretary of War, as I am informed,
arrived at Atlanta and reported to Col. See
for assignment to duty, but who is in doubt
as to what course to pursue in consequence

of the late Superintendant of Col. Sec. by Genl. Blair. I trust Genl. Blair will be able to procure the service of the beginning of the war, and has proved himself a gallant and capable officer. He is also an old resident of Atlanta where his family still reside. He is a gentleman of high character for morality, integrity and industry, and will make, I have no doubt, a most trustworthy, faithful and energetic commandant of the Port if appointed. I am assured that his appointment will also give entire satisfaction to the citizens of Atlanta, in case Col. Sec cannot be reinstated and retained.

It has been stated to me that it is in contemplation by the commanding Genl. of the Department, to place in command of the Port of Atlanta, Col. Anderson from Alabama. Against this, however, we are for respectfully but most earnestly protesting, and that I have every right to say against the qualifications of Col. Anderson in derogation of him personally, but because I think it due to Georgia that, in all cases where the public interests can be advanced, citizens of Georgia should be put in command of military posts within her limits, and

Monte. Ga. June 6th 1863.

I add up you to ask another
favor, that you will use your influence with
the Hon. Secretary of War to procure the appointment
of Capt. Hughes in my office.

Some time ago Gen. Jackson cut down my clerical force to
a minimum, and since that time I have been forced to
employ assistants out of my own pocket which has
cost me \$2500. I am cognizant of my circumstances
and know that I can not afford it. I feel sure
that Government never intended that its officers
should use their private means for public benefit
and even my rule is, where anything is absolutely required
not to haggle about small things.

Capt. Hughes late of the 7th Ga. Regt. was home
assigned for disability and not subject to conscription.
He is one of the most competent men in an office of
his kind that I know of, and it is very important to
have a good and competent man here. The work to be
done has increased every day since I was assigned
here. It is not necessary to call the attention either of
yourself or the Hon. Secy. to the importance of this
post.

The outside business of my command
such as looking after straggling officers & soldiers &c.
is now suffering, because I am confined to the
office doing the duties of a clerk. I wish you to use
your influence with the Hon. Secy. to have Capt. Hughes
appointed to aid me, with such rank & salary as
may be allowed.

And your influence also in procuring authority to
allow a certain amount of money to be disbursed.

When the word of Col. Thompson has been done to
make each company about twenty (20) companies of
elaborate - not concepts - under the same 40 - 50 exempt.
They having tendered their services to me, I wish to
know them, with arms, so they may be ready for any
emergency anywhere in the State. If encouraged in this
organization I can defend the State against any raid
that may come. I know all these people and they have
the utmost confidence in me and a trained army for
them. I will institute such discipline as will put them
in shape for fighting them. Some called the other day
to attend a meeting of the citizens of Cobb Co.
at Marietta, where the subject was to be prevailed.
The will be by the papers that every citizen enrolled in
local defense and they wish arms. Organization
of arms can never amount to much. You know
I have also shown that we have no soldiers to spare
from the army for local defense.

Col. I hope you will perceive that I am only after the
public good - not personal promotion. You also know
that I served the first company into service, that left
in 1861 at the first of the month the C.S.A.
afterwards claimed that I was the commander, the
"Right Legion" and after the battle of Richmonds
was compelled to send up his resignation on a spot of
ground the merchandise of the larger. Afterwards at the
instance of Gen. S. C. Lee I was put in the line and
accepted the position of his commandant of P.M.
of this Post. I thought it should be of some service
to my country, it was my duty to do so. I have
endeavored to do my best and I regard the confidence
placed in me by Government and people as evidence
that I am not unworthy of the position.

It is true that I have had some difficulties with Gen^{ls} Jackson and Bragg - who are my superior officers, but I do not wish to intrude my private troubles upon the War Dept - I have preferred rather to be sacrificed than by demanding a court of Inquiry, to trouble the War Dept. I am happy to inform you that my health is improving and I would be proud of a provision even here in the field, but think I can render important service here.

You know Capt Hughes while he was in your
allant regiment the 7th, and you will confer a great
favor on me, by recommending to the Honorable
Secy - his appointment in my office.

With considerations of highest regard

I am Col. Fugate Co. Cal + So.

I beg leave to ask your attention to the above letter received this day from B. C. Lee County this post. It will be seen that he has had about twenty complaints reported to him, for the distance of upper Georgia and this Co. He was specially invited to attend a meeting of the people at Marietta a few days ago and address the citizens upon the necessity of an immediate organization. The result was that several complaints were received and induced him to an address and enthusiasm he now has a large number of followers.

of the state. He has been and can be of great
 service here in organizing troops for local
 defense. He is in my opinion entitled to promo-
 tion. Having 20 companies already formed I trust
 you will pardon me for suggesting that he be
 authorized to organize a portion of them into
 a Regiment for local defense & special
 service under the act of Congress. He would
 make a fine Colonel. I have also
 to call your attention to the enclosed
 paper asking that Capt H. P. Hays be
 appointed to some position under Col Lee at
 this post. I know Capt Hays well and
 intimately having known him until he was
 a Capt in the 1st La. Regt organized and
 formerly commanded by myself. He was
 a gallant and accomplished gentleman
 and made an excellent officer. Col Lee
 needs his services here. I am very anxious
 for his appointment. With sentiments of
 highest esteem I am, Sir, your obedient
 servant.

Dear Sir,

I herewith enclose copy of dispatch
received from the Adj. Genl.

My order will be countermanded.
Upon a rigid inspection it could not be found
that General Ste. held any appointment, but
Capt. and General Marshall. He was Adj.
Genl. of the Army from June 1861 to Aug.
1862. He was Adj. Genl. of the Army
from Aug. 1862 to Dec. 1862. He was Adj.
Genl. of the Army from Dec. 1862 to Jan. 1863.

Commander
The inspection report now on the way
will enlighten the department much about
these matters. I have no doubt.

Very Respectfully

Kent, O. at the Court of Sessions 1862
Hartford, Ct. 13 August 1862

Dear Sir:

I have been much interested in the case of the Captain of a Company from
your command at Haverhill. I am glad to hear that the Captain, who
was promoted in the 1st Regiment of the 1st Division, was
that place which served under my command at
Haverhill. If the two are the same I am glad to hear, as they
are now in the same, could not have been aware
of the infidelity against him.

He was discharged from the service at Haverhill, upon
leaving the regiment, he served the investigation as
after leaving there. The case of his company ended a
general complaint that he had committed his
felony in the case.

The fact at Haverhill is the result of too much infidelity
to be entered as a mere case, though I have no
accusations upon which to lay him.

I am Sir

Very Respectfully

Wm. C. Cady.

My: I have troubled you so much already that my conscience troubles me a little now for troubling you again; but if your Consent, I would like very much to have a handsome bridle that the one you are kind enough to let me have (although a plain one).

My horse has a large head, and the bridle has such narrow arms and leathers that it appears larger than ever. I have no objection to the arms being curved in the middle instead of being fastened with a buckle - in fact will prefer it. If possible I would like to have a bridle made with brotherly broad leathers - plain black as opposed to my fancy work. I do not object to any of the ornaments he set off the bridle.

I am, your most obedient servant

the receipt of your letter of inquiry about
the quality & location of the wood I have already
cut.

I have 17000 cords of good pine wood at Pallett's
Chaff some 500 cords now on the bank & the other
in 1/2 mile which I will have hauled as fast
as possible. I also have 500 cords of oak wood
1/2 miles below this town on the bank of the
river. That I design for the troops as it is much
better than pine wood for troops, while the oak wood
is much better for the boats, but as it is
more common & the boats have used it more than
they could have done, but after this I shall keep
a supply of pine wood here at the landing. There will
be this good wood for the boats here. There must
be some from there will be difficulty about the wood for
I know the importance of it and I shall most
abundantly give it my prompt attention.

I have written to the planters of Jasper County who sent
me to cut the wood I already have cut. To send towns
their hands immediately & if they send the same
force they sent before they will cut 40 cords per day

An your letter of inquiring
why I have not sent down horses more
rapidly. I answer that I have sent all that
I have received. There will be down (11) teams
& wagons on the train to day and I shall forward
immediately. You instruct me to return right
and I have sent over the one away, & as fast
as they arrive I shall forward with dispatch
I would like very much Capt for you to see
the Dr. Trustees of who have to furnish me with
corn. I have sent a sack in store now &
only on the way to one 75 sacks which my sister
says will reach me to day. That amt. Capt is
only one days forage for the amt of stock I
have to feed. I would like to keep at least
5 days ahead at Sabine for fear that the boats
might fail to make regular trips. But I am
fearful unless it is sent to me, I write every
day & telegraph twice as often but I am
unable to feed the stock from one day to another,
& should the corn or boats manage to run off the
bank or run aground you can readily see the
consequences. Again I have only been able to do
as well as I have by using corn that should have
been sent to Maj. Stafford. Otherwise A. L. Loring and all
other horses would have been without forage

I will obey the Gen. order in regard to sending down the beams as far as I can, as yet I have only received 4 ryzons & 5 beams from Houston, I will immediately start the 4 ryzons & beams down & will forward the remainder as soon as the ryzons arrive. In your order about taking 20 ryzons and sending to Palletes Bluff to cut, now I would suggest to you that I have a contract that is much better in my opinion. I already have 200 cords of wood cut, & shall in obedience to orders commence cutting again. The contract mentioned above is as follows. I pay the owner of wood \$1.00 for cord the huckman who cuts it \$1.75 for cord, making the wood only cost \$2.75 which is decidedly cheap. The contractor can cut 500. cords for work, please mention the matter to the Gen. as the Government can have the wood cut as quick or can it do it as cheap as the ryzons, when in Government employ they are constantly saving away. I would remark that there is wood enough to run the boats for 2 months now cut, but is best that the cutting should commence as soon as possible. That the wood may become seasoned.

The telegraph wire has been down for 2 days and I some of the dispatches you sent up have gone through. & upon consultation with the Operator we concluded to copy them and send by Courier to Liberty & if there was any connection from there to Houston have them telegraphed, if not request the Cond. Officer there to still forward. in the mean time if the wires, is put up before the Courier starts arrive we will dispatch them through. I would suggest - that you order a hand Car stationed at this place, to use in such instances as you may have, as it is almost impossible for the Locomotives to run after the amt. of rain we have had in this section. The train that left Houston yesterday morning at 7 o'clock came in this evening with a few Cars having left a portion of the train 15-miles this side of Liberty & a portion about 25-miles this side all off the track. A portion of Capt Hargrove's Co. is here & a portion between here & Liberty, some here, & some back. The 15 regts of Col Sackets Regt go down tomorrow morning.

Hon Genl. Sherman

My dear Sir

Sir I beg leave to call your especial attention to the case of Lt. Henry Lee more acting as Asst. S. Genl. of Dist. Hawaii Brig. — He was appointed to that duty to fill a vacancy by your permission and order on the 11th of May last and has during the whole course been most faithfully performed his duties as such and has been rewarded with in the discharge of his duty —

Then can no staff officers compare with this brave but Lieut. Tanaka, Capt. and Lt. A. Lee acting together — This officer is I suppose truly and just entitled to the appreciation by all the men of justice

Yours truly S. T.

he received that order a promise the

since fully performed than
and received a reward in the
line of duty — No notification
has been sent him of his appointment
must and I learn that it is in

would operate as an injury and
hence begs to be kept in mind & that
will not be done, but that his ap-

In Vol. 27-2, p. 737, his signature appears as Henry C. Lee, but it is an enclosure which can hardly be an original document. In Vol. 29-1, p. 77, a report is addressed to Lt. Henry C. Lee. (over) and this is the only time his signature appears in published Vols.

In all other case where his name
appears in Vol. the C. is in brackets.

In the Personal Papers which
were sent for examination - his
signature is invariably Henry Lee,
and his appointment record agree.

Figure 1 consists of three line graphs showing the effect of temperature on the growth of *E. coli* O157:H7 in ground beef. The y-axis for all graphs is 'Growth rate (log CFU/g/h)' ranging from 0 to 1.5. The x-axis is 'Time (h)' ranging from 0 to 100. The three graphs represent different media: 10% NaCl (left), 10% NaCl + 10% glycerol (middle), and 10% NaCl + 10% glycerol + 10% sorbitol (right). Each graph shows four data series for temperatures 15°C, 25°C, 37°C, and 42°C. Growth is generally faster at higher temperatures, with 37°C and 42°C showing the highest growth rates. The addition of glycerol and sorbitol appears to slightly reduce growth rate at 37°C and 42°C compared to the 10% NaCl medium.

Shaw's Hunter Sanitary Post
Boston, Mass. March 27th 64

Dear Sir,

I have replied to your communication
of the 14th inst. in relation to the balance of
the Hunter Sanitary Post. I have been
to inform you that some small amount
of money and a few pounds of beef have
been received here to day.

Dr. Brown's Chief Surgeon to the Post
has just returned from Columbia and states
that he has made arrangements for collecting
the Hunter Sanitary Post balances but that he
will not be able to do so until as soon as
possible.

I have said to the mails that you
need not at all your transportation. I have
been to say that this cannot be supplied but
you may be able to get it from
Ellis, Bolton and make requisition on my
A. G. Quail for others that you need.

It is not necessary that
you need to send to the Post to assist
in procuring the things needed in
the Hunter Sanitary Post. Your requisition
will be sent to

General

I beg leave, most respectfully, to recommend
Major Patrick H. Lee, for appointment, as a Member of our
of the Military Court. He is in existence, when there was
the country, as to arms and yet to be organized, in
the recent Act of Congress. He is a lawyer by profession
and of decided ability, extraordinary energy. His character
is a noble noble and his habits are those of
the soldier. He is more than thirty years of age, has
served in the Army since 1847, with his present rank
and has generally performed numerous acts in the field
which have rendered him deserving his rank, as these
he is now enabled to do active field service. He
served with our Volunteers first, under his death.
He then served with the Commonwealth's Troops, of
the Army, with credit to himself and the
recommendation of his chiefs.

I have no more in this Army, in
recognition of the position occupied by him
and have better grounds to recommend
the action of the position.

General

I have the honor to recommend, for the
appointment of Judge on ^{one} of the Military
Courts, when there may be a vacancy, Major
P. B. Lee of Genl. Hood's Staff. Major Lee
has been a Major in the Adjutant General's
Department since the first year of the war,
& during most of the time I have been serving
in the same Army with him. He has been
a most active & efficient officer - devoted
to the cause & zealous in the discharge of his
duties. He is a lawyer by profession, and
thoroughly qualified in all respects for
the position which his friends are putting
for him - now that his health, which has
failed in the service, is such as to disqualify
him for the duties of his present position.

Major General J. W. Lewis
Capt. Brigade Jackson's Lady Division
July 13th 1841

Sir,

I have the honor to inform you and others that
on the 2nd day of May 1841 Lt. Henry D. Lee of
Company A 1st Mass. Regt. was assigned to duty
as Assistant Quartermaster of said Legion, and the
recommendation for his appointment forwarded to
the Department by Lt. Col. A. B. Brown at that
time commanding. To fill the vacancy created
in the acceptance of the resignation of Captain
M. H. Lee. A. G. M. to take effect at that date.

The recommendation for his appoint-
ment having been sent directly to the Department.
But a later date forwarded a recommendation for
his appointment through the proper channels.

After some months had elapsed, not hearing
anything from the Department, and learning that
owing to some changes having taken place in the
Brigade the recommendation had never reached the
Department. I again recommended his appointment.

Capt. Lee forwarded his official report to the
Department from Providence R.I. on the 15th day
of July 1843. which I have signed and will be
received.

My office is again addressing you, and it
respectfully urge the appointment at once of
Capt. Lee as Assistant Quartermaster of this
Legion, not to date from the 2nd day of May
1841, and no more time to be lost.

Capt. Lee is a competent, faithful, and
efficient Officer, and will make a valuable

James, as the fact, I must have seen him his
Appointment

If Captain is not at home the confusion
about the expenditure on the 18th of 1864
is perhaps a little of a surprise. I am
to be sure, for the fact, however, being so much
that you are not, I am not, as purchasing
quantities etc.

Yours

O,

General,

I showed the copy of the report
order respecting Dr. Lee to the
President. His remark was that, if it
was ^{thought} proper for him to be assigned
to inspection duty, a matter which he
left entirely to your & the Sec. of
War's decision, the order in question
was one which he approved.

Very Respectfully,

I have the honor to report my-
self at this place, awaiting orders.

The Comdring General
has informed me that my several
communications asking for a personal
interview before being assigned to
a station, have been referred to the
Secretary of War. I did not intend
to be understood as asking any per-
sonal accommodation or considera-
tion inconsistent with the interests of the
service, but to be placed in a position
where my services would most conduce
to the interests of the Government.

It is a source of deep regret that for
the second time in my life, I have been
disabled by lameness, and sickness from

General: J. B. Williamson
Company of Art.

Presenting myself as a candidate for
the rank of a Brigade General in the Army,
I am influenced only by a desire to be
placed in a position where my energies
and efforts can be devoted to the cause of the
Confederate States.

As to my past services of more
than twenty years in the Army of the
Army of the United States, and as to my previous
standing as an Officer in that Army.
Respectfully refer to Generals Cooper, Johnston
Lee and Beauregard, as well as to the Officers
generally formerly of that Army.

When the appointment of
Colonel in the Subsistence Department, as the
only available vacancy at that time, in its
acceptance, I express the hope that some
contingency of the service would induce
the President to confer upon me the rank
of a Brigade General.

I refer to the personal references as

as to my military reputation, I would add,
the complimentary of General Johnson and
Becquerel upon my taking leave of the Army
of the Potomac, and the satisfactory mention
of my name by General Beauregard in his
report on the battle of the 21st of July.
My post office address is, "Buck and
Prince Union Co. Va."

I have the honor to be with
much respect Dear Sir,

Act. Asst. Genl.

I have the honor to submit the programme of our order, the object of which is to determine and define a more effective arrangement of issuing subsistence to this Army.

It is practically, Brigade Companies should draw provision from subsistence Depot, for periods of two days for their respective Commands, upon consolidated provision returns (see form No 14 Army Regulations) specifying the numerical strength of each Regiment, and in detail, the number of rations of each article required, containing also estimates for rations to Brigade and Regimental Hospitals, for ordinary wastage, and for rations to Officers. Items which should be deducted articles remaining on hand from previous issues, or received by purchase or otherwise.

General Officers, the Civil and Staffs attached or generally attached, to be included, and the same to be

entitled to purchase or draw money, to be supplied from pool or distributing depots.

In reference to Company Commissaries, advances will be made in bulk or in portions, packages & for immediate consumption to the command required.

1. To avoid the multiplicity of accounts with the Company, Regimental Commissaries attached to Companies should not receive or issue in bulk, but only from Company Commissaries for distributions to Companies. Circumstances of necessity render orders of distribution of funds should if practicable be paid by funds held for that purpose upon vouchers approved by the Officer under whose orders the debt was contracted, and by the Purchasing Officer.

5. Distributing Officers or agents of the Distribution Department, connected with the duties of the Company will without delay forward to the Chief of Distribution copies of their monthly summary statements of funds for April, and a list of their purchases for the same month, and thereof the similar statements at the end of each month.

The Secretary Western Union
Portland, Me. Dear Sir

I have the honor to acknowledge the receipt of your letter of yesterday for which I thank you. It appears well that under the circumstances, I cannot reasonably expect or receive.

I trust it will not be deemed out of place to observe, that the complaints against the Commissionist by Commissioner Hemenway were not intended to apply to him. I have made this now a joint mutual assurance to the effect, and especially with regard to your Board, especially objecting to applying for the change of my position with the Com. of the West was not to stoppage, but to enlarge the sphere of my activity.

I do not acknowledge, but very out to your consideration the propriety of engaging me to act as an Inspector General under the immediate orders of the Adjutant and Inspector General, &c. to Standard of Mass, and should you know it proper, with an additional

and Frank, with permission to return my
present work in the regular Army, to
pass back on matter of the apprehending
infinites of negroes, so the only apprehending
bargained and bargained family. Thence the high
oblation must with your approval, of words
hence suggest that the first theatre of my
operation be in the state of N. Carolina & V
Alonzo, to investigate all matters pertaining
to the military service - the manner in which
to duties of duty of Officers & men in regard
to performance - The mode of collecting the in-
fants - The general measures in regard to the
supply of the Army - And the method of
making them available - The extortion practices on the
families of soldiers and families associated with
them from their homes - regulations and pro-
visions in transportation by Railroads - The enforce-
ment of the laws of conscription, which are needed to an-
swering about the same and other duties so may be
assigned to me.

I am Sir with much respect, and if I may
be permitted to add, no chance for your truly
your friend & obedient servant

End

From Section of
one of the old Genl. Howell containing a report
of the circumstances attending the fall of New
Orleans is received. The loss of this City is a
very severe blow to us, and one that we cannot
fail to feel most acutely, but it is to be feared that
with the means of defence at your disposal,
you have done all in your power, you
mean of collecting all the troops you can,
and taking a position which will enable you
to defend the rear of Genl. Beauregard, and
prevent his communication, is fully apparent.
and I regard it as a matter of great
importance, you will endeavor to collect as
large a force as possible, and collect
all the arms that you can procure, the
want of arms is very severely felt at
this time, and I hope you will spare no
effort to collect all that can be obtained
in the hands of the people. That can be
immediately done,
you will organize as a provisional the
army you may be able to collect to act

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a standard font. The list is organized into two columns, with names on the left and dates on the right. The names are: John Smith, James Brown, William Jones, and Thomas White. The dates are: 1810, 1811, 1812, and 1813. The list is followed by a signature and a date.

Dear Sir,

I have been thinking over
of last night. I am on my way to
N. York. I am on leave, and cannot
return to Fort Abraham. My
business is not at all pressing from
investigations. I am not able to
start, and have been upon Capt. Brown's
case just now on the right track.

There is no necessity for you going to the Court
just for this purpose and perhaps looking to
the Civil Court. I presume you will give you as
information desirable. I should be
glad to be with you at my party to settle
you the hospitalities and entertaining part,
and give me pleasure. Perhaps I will
be with you on my return. I have also the
pleasure of introduction by Rogers.

Yours faithfully

Major Genl. S. O. Lee

Commanding Confederate Forces near Spotsylvania

General

When I heard that the forces of Regt. Gen. Sturgis, had been driven back, & a portion of them killed by confederate soldiers, I felt considerable solicitude for the fate of the two colored Regiments, that formed a part of the command, and I was assured that the Confederate forces were commanded by you. When I learned that, I became satisfied that no atrocities would be committed upon these troops, but that they would receive the treatment, which humanity, as well as their gallant conduct demanded. I regret to say that the hope that I entertained has been disappointed by facts which have recently come to my knowledge.

When statements that have been made to me by colored soldiers, who were eye witnesses, it would seem that the massacre of Fort Pillow, had been reproduced at the late affair at Regt. Gen. Sturgis. The details of the atrocities there committed, I will not trouble you with. If true & not disproved, they must lead to some general principle, fearful to contemplate. It is best that we should all have a fair understanding upon the question of treatment of this class of soldiers.

If it is contemplated by the Confederate government to murder all colored troops that may by the chance of war fall into their hands, as was the case at Fort Pillow, it is but fair that it should be generally & openly avowed. Within the last few weeks I have on two occasions sent colored troops into the field from this point. In the expectation that the Confederate Government would disavow the action of this commanding General at the Fort Pillow Massacre. I have given them no instructions to the colored troops, as to the course they should, but call them no Confederate soldiers that might fall into their hands, but seeing no disavowal on the part of the Confederate Government, but on the contrary declarations from the entire Confederate Press of the perpetration of the massacre, I may safely presume that indiscriminate slaughter, is to be the fate of colored

...in fact, & in actions consequent as fearful, & infernal, & then therefore
thought it, better to address you this, believing that you would be able to indicate the
policy, that the Confederate Government, intended to, & ensure length in this question of
it continued to raise the black flag against that unfortunate race, they will cheer-
fully accept the issue. Up to this time no troops have fought more gallantly, & more
have conducted themselves with greater dignity. They have fully vindicated their
right, (as long denied) to be treated as men. I hope that I have been thus informed
is equal to the treatment they have received at the battle of Big Bay Creek. Doubtless
the accounts received result rather from the excited imaginations of the
fighters than from actual facts.

As the Government of the Federal troops under my command, I would then to you
to inform me, with as little delay as possible, if it is your intention or the inten-
tion of the Confederate Government to murder Federal soldiers that may fall
to your hands, or treat them as prisoners of war and subject to be exchanged
as other prisoners.

I am, Sir, Yours,

Respectfully

January 23rd 1862.

Dear Sir: When the variation of the accounts of Major S. S. as Adj. Gen. in T. S. A. for disbursement made in the payment of troops at Charleston, S. C. I find it difficult to determine whether a portion of the troops to whom payment has been made are to be considered as in the service of the Confederate States or the State of South Carolina. It is very plain that troops are not to be considered as in the service of the Confederate States and entitled to pay as such until notified in, unless they had been previously accepted and placed under orders from the War Department which should be indicated on the muster rolls by the commanding Officers; no such evidence accompanied the rolls belonging to the account of Major S. S. but I have no verbal statement to the effect that he paid from rolls the knowledge that they were under the orders of Genl. Beauregard from the date from which they were paid, and I have no means of ascertaining and that he believed them to be in the service of the Confederate States. Yours Truly

is charged upon the books of the Officer with the sum of \$34,000, on account of the application made for the support of 2300 men, for twelve months, to be collected into the revenue at Charleston, S.C., but he renders accounts and vouchers for disbursement exceeding that sum.

Major See seems desirous of furnishing the Officer with all the information in his power to facilitate adjustment of his accounts. He wishes the payments,

he can so make it appear, to be considered as regular disbursement to troops in the Confederate service rather than be rejected and come up in the nature of a State claim in favor of the State of South Carolina, which would, in his opinion, necessitate his presence in that State. As he is now on duty in the field, on the Line of the Potomac.

The payments about which there is any doubt are made to the third and fourth regiments South Carolina Volunteers; paid from the 1st day of April to the 1st day of June, 1861. The records of the Adjutant General's Office show that they were not regularly introduced into the records until the 1st day of June 1861 - but enquiry was not made whether it appeared that they had been previously accepted and placed under orders - Upon the foregoing Major See makes instruction from the Adjutant General.

There is another difficulty attending these rolls; they are not signed by the Major and Muster Officer and in some cases not signed by the Captain, both of which are required by the Army Regulations. I herewith transmit the affidavits of Hudson Jan, clerk to Major Jan, stating that the pay rolls were truly copied from the Muster rolls in possession of the Captains of the Companies comprising the regiments, and that the muster rolls were attested to as being lost. The payrolls accompanying Major Jan's account are duly receipted in the hand of the Justice to whom the payments were made and in each case witnessed by a commissioned Officer. I will add that Major Jan informed me that the muster rolls that we lost were those on which the payments should have been made, and that they were duly signed as required by the Regulations; and I will further add that he informs me that the 3^d & 11th Regiments, herein referred to, were called out by General Beauregard in defense of Charleston Harbor.

I have the honor to be,

Very Respectfully,
J. D. Dyer,
Major 1st Regt. Artillery,
Fort Mifflin, Pa.

Sir

Capt. J. A. Lee asks me
for a letter to accompany his application.

I very confidently recommend him to you
I myself know well how at Fort Mifflin he
rallies in challenges & showed in the execution of
a halloo of the volunteers one of it. I feel
sure that he will make the regulations of the
posts etc of great service at this time.
He is brave & full of valor & I am sure
we are needed in the field I would if I heard of
him then be glad for duty in the field.

Very respectfully

would have received this recommendation six months ago. The history of the Cavalry of the Army of Northern Virginia furnishes the illustration of those qualities of a Cavalry Commander possessed in so eminent a degree by this officer, whilst his conduct at Gettysburg, where he was severely wounded, was heroic as his skill was masterly.

The best interests of the service will be served, and a meritorious officer rewarded by the promotion recommended.

Recommendation
to rank of Major General
to command a Cavalry Division
designated

Head Quarters
24 March 1864

As for the Cavalry is increased as the prospects are indicated, it will be better to organize it into three divisions - Each of the assigned brigades will number about 2,000 men, the division will amount to 6,000 men, too many Cavalry for one man to handle or for one in a country - I have no doubt a Cavalry division of 6,000 men will be a formidable force.

A. S. Rouse

Dear Sir,

Brig Wm. W. H. H. having been ex-
changed I have the honor to recommend
his promotion to the rank of Major and
assigned to the command of a Cavalry
Division to consist for the present of Cooper's
and Chambliss' Brigades of the Cavalry.
By this arrangement a change now taking place
at Hampton will have 3 brigades (Butler's, Young's, and
Leonard's) this Dec will have two, (Adams' and
Wickham's). Additions will no doubt be made
to both the latter as necessities arise. and
it will render the command more efficient
to have one division on each flank and
one in reserve. Independence of these
advantages I beg leave to submit to the Dept
and Executive the claims of this modest but
no less deserving officer for promotion, who
but for his having been in the enemy's hands

The first of these is the fact that the
 system is not self-sufficient. It
 is dependent on the outside world for
 many of its raw materials and
 components. This makes it vulnerable
 to fluctuations in the global market.
 The second is the fact that the system
 is not very flexible. It is designed
 to handle a specific set of tasks and
 is not able to adapt to changes in
 the environment. This makes it
 difficult to use in a wide range of
 applications.

I have the
honorable responsibility to nominate
Wm M. Keas for the position of chap-
lain of my regiment to take effect
from January 1st 1864.
The Hon John A. Soden who

was Commissioner as Chaplain of
this regiment, some excellent material
was refused to accept the Commission
and left the regiment before David
Henderson was received at the office
and never returned. His name has
never been taken up on the rolls of the
1st Regt of my regiment.
I would therefore recommend
that the Wm M. Keas be appointed
